Dear Sir/Madam,

Subject: Project proposal titled "*Determination of anti-bacterial and anti-fungal activity for various synthetic molecules*" reg.

Ref: Following up on our earlier discussion and proposed protocol for the study of 500 samples.

With respect to the above-stated subject. In accordance with our discussion via email and telephone regarding timelines and price quotes for consultancy work related to antimicrobial activity. Now we are sending 100 mg of each sample for the determination of activity. We expect you to strictly follow the timeline for the completion of the study and to keep the results of the project confidential. In order to proceed with the proposed study as soon as possible, we request that you initiate it at VIPER as soon as possible.

We look forward to continuing to work with you on a collaborative basis.

Thanking You,

With regards,
